... and sharing smiles

**We depend on our Volunteers
to help with our many needs!**

Volunteers are an integral part of our organization. We need volunteers to help:

- in the Shelter helping with child care, cooking, household and organizational tasks, picking up donations
- in offices, providing support to staff, to clients coming in for appointments, assisting with fundraising tasks
- staffing booths at fundraising or community events
- on the Crisis Line supporting abused women and potential residents
- special services and projects

Volunteering with us is an opportunity to make a very worthwhile contribution to your community.

Training

The volunteer training program provides an opportunity to learn about:

- issues of violence and abuse against women
- effects of abusive relationships on women and children
- experiences of shelter residents
- roles of staff and volunteers
- skills specific to volunteering at the Shelter or on the Crisis Line
