

Thank you for considering a legacy gift to the Victoria Women's Transition House.

Would you like to leave a legacy that will have an impact even after you're gone? Whether you choose to make a bequest in your will or a gift through life insurance or other means, you will be contributing to a life without violence for women in our community. What could be greater than the gift of a hopeful future?

There are a variety of giving options that can provide tax benefits to your estate, whether now or later.

We encourage you to speak with a professional advisor to help you decide which giving option is best for you.

A Bequest in Your Will

The most important thing to consider when making a gift in your will is to ensure your charity's proper legal name is used. Our full legal name is:

Victoria Women's Transition House Society

Our Charity # 108173501 RR0001

Life Insurance

Victoria Women's Transition House could be designated as the owner or beneficiary of a new or existing life insurance policy. The policy can be set up to provide you with tax benefits now as you pay the policy premiums or later to your estate.

Other Options

There are a wide variety of other giving options including RRIF's, RRSP's, stocks, bonds, annuities or charitable remainder trusts among others. Each varies in the tax benefits it can offer. Please feel free to call our Development Director to discuss.
